

Leona F. Brown Canadian Artist

Daniel Smith Extra Fine Watercolor INTENSE PALLET PACKAGE

Azo Yellow
15ml tube

This watercolor almost jumps off the paper, it's so brilliant, sunny and bright. The very essence of yellow, it's clear, powerful, vivid, semi-transparent, smooth and staining. Use this organic pigment to add light and sparkle to your paintings. Also a versatile mixing color.

- **ASTM Lightfastness Rating:** Excellent
- **Transparency:** Semi-Transparent
- **Granulating:** No
- **Staining:** Medium

Quinacridone Red
15ml tube

A true, pure medium-staining red. Drop Naples Yellow into Quinacridone Red and create a peach, or paint dry brushstrokes onto apples. Highly durable and extremely transparent, all the Quinacridone colors excel in vivid clarity and intensity.

- **ASTM Lightfastness Rating:** Excellent
- **Transparency:** Transparent
- **Granulating:** No
- **Staining:** Medium

Phthalo Blue
(GS)
15ml tube

For cool, clean staining shadows and reflected light on windows. Super staining, super transparent Phthalo Blue is a popular pure chroma organic pigment. Mix with Hansa Yellow for luminous greens.

- **ASTM Lightfastness Rating:** Excellent
- **Transparency:** Transparent
- **Granulating:** No
- **Staining:** Staining
